
Municipality of Cumberland
Low Income Tax Exemption Policy 20-05

Section 69 of the Municipal Government Act allows Council to establish a Policy for granting an exemption from tax for a person whose income is below a specified amount. This policy will establish the amount of the tax exemption, who is eligible and the process for applying for the exemption.

"Income" means a person's total income from all sources for the calendar year preceding the fiscal year of the Municipality, and includes the income of all other members of the same family residing in the same household, but does not include an allowance paid pursuant to the War Veterans Allowance Act (Canada) or pension paid pursuant to the Pension Act (Canada)

1. **Amount of Exemption**

When the income of the person, spouse and other household members combined is less than \$20,301 the exemption shall be \$450.

When the income of the person, spouse and other household members combined is between \$20,302 and \$31,068 the exemption shall be \$225.

Income cut off levels and exemption amounts shall increase by an amount equal to the annual average percentage change in the Consumer Price Index, all-items, for the Province of Nova Scotia for the previous calendar year, as determined by Statistics Canada. If that index is negative in any given year, the amount of the increase will be zero.

2. **To Qualify for the Exemption**

The exemption shall apply only to property of a ratepayer occupied by him or her as his or her principal residence.

The applicant shall complete the application regarding the household income for the previous calendar year. A Councillor, a Commissioner of Oaths or the Municipal Clerk must witness the applicant's signature on the application.

3. **To receive the Exemption**

An application for a fiscal year shall be submitted by December 31" of that fiscal year.
