 - 2) By April 1 each year signing an acknowledgement document certifying that they have reviewed this policy and sought all clarifications necessary for a complete understanding of its provisions and their responsibilities pursuant to it. Failure to sign this acknowledgement document annually will disqualify the individual from claiming expenses for reimbursement under this policy until the document has been signed for that year;
 - 3) Completing and submitting expense claims with necessary supporting documentation;
 - 4) Exercising reasonable diligence and care in incurring expenses prudently and responsibly; and
 - 5) With respect to travel, cancelling reservations as required, safeguarding travel advances and funds provided, and considering alternatives to travel such as teleconferencing and video conferencing.

Training and Professional Development

16. If the Municipality has established a training and education budget expense item, a member of Council or the CAO may apply to the applicable Signing Authority in advance for approval to incur expenses out of this budget for training or professional development, provided that:
 - 1) The request is made in writing, and includes an estimate of all costs that will be incurred, including the course or enrolment fee and all required transportation, accommodation, and meals;

Per Diem Meal Allowances

18. For each day or part day that a Council member is travelling outside the Municipality for an authorized purpose, a Council member may claim a meal allowance for each meal for which a cost was incurred. Meals provided free of charge or included in registration fees paid directly by the Municipality are ineligible. The per diem meal allowance for Council members shall be the same as that for staff: \$20 for breakfast, \$20 for lunch, and \$35 for supper. This allowance includes gratuities and taxes. For purposes of this section, the Municipality will not pay breakfast allowance to Council members leaving home after 6:00 am or supper allowance to a Council member arriving home before 6:00 pm. Receipts are required for all meal expenses. Amounts reimbursed will be the lesser of the applicable meal allowance or cost shown on receipt.
19. If on any given day the Council member is attending more than one meeting within the Municipality, and the cost of paying kilometrage for the Council member to go home for a meal and return for a meeting being held later that same day is greater than the meal allowance, a Council member may claim a \$15.00 meal allowance. Receipts are required for all meal expenses.
20. Claimants whose religious beliefs or medical requirements prohibit them from consuming certain foods should be aware that appropriate meals can normally be obtained from caterers, provided that adequate notice of special requirement is given. Should these special dietary requirements negate the ability to participate in a meal that is provided free of cost, and as a result the Claimant must pay for a meal, the Claimant shall be paid a meal allowance for that meal.

Kilometrage

21. The kilometrage allowance reimbursed for Council members using personal vehicles for travel shall be at the rate stipulated from time to time by the Province of Nova

Scotia as the maximum.

Where several Council members or the CAO attend the same meeting, conference or function, each shall make reasonable efforts to share a vehicle.

Vehicle Rentals

22. The cost of rental of a vehicle shall be a reimbursable expense in instances where:

- 1) Reasonable ground transportation services such as public transit, taxis, or hotel shuttles are unavailable; or
- 2) Two or more Council members or the CAO are travelling together, and it is more economical than the combined costs of other reasonable ground transportation.

23. Compact, economical vehicles must be used unless three or more persons are travelling together, the bulk or weight of goods being transported necessitates a larger vehicle, or a compact, economical vehicle is unavailable.

Limits on Reimbursable Expenses

Notwithstanding any other provision of this Policy, the following limits shall apply to reimbursement of expenses:

- 1) A Claimant shall only be reimbursed for the costs that they have incurred;
- 2) The expenses of a Council member for political activity associated with election or re-election is not reimbursable by the Municipality.
- 3) Airplane travel shall be booked by municipal staff or shall only be reimbursed at the lowest rate which would have been available if municipal staff had booked the airfare;
- 4) Hotel accommodations shall not exceed the cost of a standard room, double occupancy, except when hotel accommodation has been booked by municipal staff for out-of-province hotels. Hotel upgrades shall be at the personal expense of the Claimant unless there are ergonomic necessities attributable to physical requirements including, but not limited to, wheelchair accessibility;
- 5) If a Council member chooses to take their personal vehicle in lieu of airplane travel, reimbursement will be based on the lesser of the lowest airfare rate which would have been available had the flight been booked by municipal staff or the kilometrage reimbursement pursuant to section 20;
- 6) Reimbursement for meals shall not exceed the per diem meal amounts set out in this Policy, except in the case of out-of-province travel, in which event Council may authorize reimbursement of meal expenses to a comparable standard;
- 7) Fees, deposits, interest, and surcharges incurred on a personal credit card shall not be reimbursed;
- 8) When personal and municipal travel is combined, only documented expenses directly related to the Municipality's portion are reimbursable. Extended travel time and related expenses are the traveler's own expense;
- 9) Reimbursement shall not be provided for loss of personal effects; for medical and hospital treatment; for purchase of luggage, clothing, and other personal equipment; or for personal services such as shoeshines, valet services, dry-cleaning, laundry, haircuts, and other personal services.
- 10) Hotel accommodations shall be booked by municipal staff;
- 11) Hotel services including room service and video rentals shall not be charged to the room;
- 12) Reimbursement of one personal long-distance phone call, to a maximum of \$15 shall be permitted for each night of overnight travel;
- 13) The cost of any alcoholic beverages shall not be reimbursed;
- 14) A Council member shall not be reimbursed to travel to meetings within the Municipality with constituents, individual electors, and complainants. The expenses incurred in the discharge of these duties are deemed to be included in the Council member's remuneration.

24. Authorized expense claims must be submitted on the form provided by the Municipality and shall be signed by the Claimant.

25. Receipts or other satisfactory documentary proof must be submitted with the reimbursement claim for all expenses except:

- 1) bridge and highway tolls; and
- 2) claims for personal vehicle kilometrage.

26. Expenses incurred by a Council member or the CAO on behalf of another individual are not eligible for reimbursement.

27. No expense claim shall be paid unless the claim is first approved for payment by the Signing Authorities who have authority to approve the claim. Before approving an expense claim, a Signing Authority must ensure that:

- 1) The claim is consistent with this Policy;
 - 2) The expenses claimed were necessarily incurred in the performance of municipal business;
 - 3) Appropriate receipts are provided to support the claim, and the claim documentation is appropriately filed;
 - 4) All calculations are correct; and
28. In considering an expense claim for payment, a Signing Authority may request additional explanations, documentations, or justification from the Claimant, and may refuse to approve any claim or expense that the Signing Authority decides is unreasonable or not in compliance with this Policy.
29. The use of petty cash to pay an expense claim is prohibited.
30. If a form requires adjustments, the form will be returned to the Claimant and must be re-authorized prior to reimbursement.
