

## SUMMARY OF SUMMER PROGRAMS

This year, the Municipality received funding from the Federal Government and the Green Jobs Initiative, which allowed us to hire summer program staff in the communities of Springhill and Parrsboro. Parrsboro hosted six staff, while Springhill hosted ten program staff and two maintenance staff. The Municipality was able to offer these staff a variety of trainings, such as Active Start with Soccer Nova Scotia, Behaviour Awareness and Emotional Regulation, Duty to Report, First Aid and CPR, Fundamental Movement Skills, Safer Spaces, SafeTalk, Sun and Tick Safety, Tennis Fundamentals with Tennis Nova Scotia, and Workplace Safety and Due Diligence. The trainings provided, enabled the summer program staff to further develop important leadership skills that made the summer safe and fun for our communities.

This year the communities of Parrsboro and Springhill, hosted a variety of summer programs for the residents of Cumberland County. This includes; the Bike N Hike Program (Parrsboro), the Outdoor Adventure Program (Springhill and Parrsboro), the Preschool Playtime Program (Parrsboro), the Softball Program (Parrsboro), the Teenage Drop Off Program (Parrsboro), the Tennis Program (Parrsboro), and the Timbits Soccer Program (Springhill and Parrsboro).

Program staff in Springhill and Parrsboro planned, organized, facilitated, and supported a variety of community events throughout the summer. These community events were well attended, and summer staff received high praise for all their efforts. Events include; Cumberland Pride Celebration, Bike Rodeos, Springhill's Old Home Week, Fundy Geo-Explorers Project, International Play Day, and an Outdoor Movie.
