

**RFP-MCC-2320
Addendum #5**

To All Bidders of RFP-MCC-2320:

Please note: the following addendum applies to RFP-MCC-2320 and shall be taken into consideration when preparing bid documents.

1. We are looking at this RFP. When we measure the distance from the parking lot to Horseshoe Cove (to what looks like the end of the provincially owner portion), we get a distance closer to 1.2km (see below). Could you confirm the limits?

Please refer to addendum #1 confirming the change to 1.2 km.

2. Also, the evaluation criteria mentions 25% for cost, but the scoring indicates 15%, we assume that should be 25%? See below.

Yes, 25% is the value being used for cost and not 15%. This section should read as follows:

Evaluation Criteria

All proposals will first be evaluated on their compliance of response to all sections of this Request for Proposals. Compliant proposals will be further evaluated based on the following criteria:

<u>Criteria</u>	<u>Weight</u>
Overall Appropriateness of Proposal	25%
Cost of Project **	25%
Experience & References	20%
Understanding of Scope of Various Projects Included.	20%
Timeline for Completion	10%
Meets the Needs of the Municipality	Mandatory

**Proposals will be scored by the following equation for Cost of Project:
Lowest bid will receive highest score of 25%

Next lowest bid will be divided into the lowest bid x 25 =_%

Next lowest bid will be divided into the lowest bid x 25 =_% and so on

A signed copy of each Addendum must also be included with the bid submission. Failure to include this Addendum may be cause for rejection. If you have any questions, please contact Shelby Hum at shelbyhum@cumberlandcounty.nc.ca

ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS REMAIN UNCHANGED.
