

POLICY NO. 13

RE: GRADING PRIVATE ROADS

At a meeting of the Parrisboro Town Council held on November 21, 1989 the following policy was adopted:

That private roads could be graded by the Town provided the property owner(s) paid the going hourly rate for the service and provided it could be worked into the Public Works schedule. It was also agreed that the Glooscap Beverage Room parking lot could continue to be graded under the same provisions mentioned above.
