

POLICY NO. 14

RE: MAKING APPOINTMENTS TO COMMITTEES

At a meeting of the Parrsboro Town Council held on November 21, 1989 the following policy was adopted:

That when a vacancy arises on a committee for a citizen representative, the Chairman of that committee will notify all members of Council to give them the opportunity to bring in names to fill the vacancy. Also, the members of Council are to contact the individuals they will be recommending prior to bringing in their name(s) to confirm that they are interested in the position, and to outline the duties associated with it.
