Hi Justin,
Hope you are keeping well.

Upon receipt of the letter from Rennie, I forwarded it to Infrastructure Canada for their consideration. We did not receive a response by the April 27/17 date as requested in the letter.

On April 28/17 Jennifer responded to your email on the status of the request, and she indicated that we had not heard back from INFC.

Given the above, there was no formal response to Rennie's letter as we were unable to meet the requested timeline.

Hope this helps.
Aileen

Hi Aileen,

The attached memo was sent to Municipal Affairs in spring of 2017, we are not able to find a filed copy of DMA's response.

I am embarrassed to ask but, would it be possible for you to send a digital copy of the Department's response for our files?

Thank you,

Justin Waugh-Cress, P.Eng.
