RFP-MCC-1804
LED Street Lighting
Addendum No. 2

Please be advised of the following changes in RFP-MCC-1804 LED Street Lighting:

1. Section 7, Technical Specifications, opening paragraph should read:

This section details suggested specifications for light fixtures. Bidders must provide evidence of compliance with these specifications by completing the worksheet in APPENDIX B and providing the relevant certificates, reports and letters. Bidders should also read through the technical specifications indicated in this section and ensure its proposed luminaires are in compliance. Should a bidder's product specifications be different, the proposal should include details as to why the proposed option is an acceptable alternative to the requirements listed here.

2. Appendix B, Item 7, requiring an *assembly factory in Atlantic Canada*. This item should be removed.
