# **Manufacture and delivery of a Rescue Command vehicle, a Commercial Side Control Pumper and a Commercial Pumper Tanker**

## **Addendum #3**

**The following modifications reflect a change to the Tender document:**

On Page 7 of the Tender Documents replace,

“Engineered drawings prepared by the manufacturer must accompany the tender, stamped by a Mechanical Engineer. Failure to do so will be cause for rejection.”

with the following,

“Engineered drawings prepared by the manufacturer must accompany the tender, original stamped drawings by a Mechanical Engineer will be provided upon award. Failure to do so will be cause for rejection. Any differences between drawings submitted with the tender and the original stamped drawings issued upon award will favour the municipality.”
