

## RFP-MCC-2104

# MAIN STREET AND JUNCTION ROAD INFRASTRUCTURE REHABILITATION

### Addendum #1

The following is an update of RFP-MCC-2104:

1. Clarification on "Shovel Ready Dates"

In two locations the RFP refers to August 6, 2021 as the "shovel ready" date for this project. This is incorrect. The revised text is presented below:

Section 2 Item 5 Project Scope and Deliverables

Replace, "As a guide to creating this overall schedule, the Municipality requires that the project be "shovel ready" by August 6, 2021. The construction schedule of this project is contingent on successful application to infrastructure funding programs." with, "**As a guide to creating this overall schedule, the Municipality requires that the project be "shovel ready" for the 2022 construction season. The tender documents must be prepared for release in Q1 2022. The construction schedule of this project is contingent on successful application to infrastructure funding programs.**"

Section 2 Item 7 Project Schedule

Replace, "As a guide to creating this schedule, the Municipality would like the project to be "shovel ready" by August 6, 2021." with, "**As a guide to creating this schedule, the Municipality would like the project to be "shovel ready" for the 2022 construction season. The tender documents must be prepared for release in Q1 of 2022.**"

2. Change to Closing Date and Opening Date

Section 5. Closing Time and Date

Replace, "Proposals are due and will not be accepted any later than 2:00 pm local time on Friday, June 11, 2021" with, "Proposals are due and will not be accepted any later than 2:00 pm local time on Friday, June 18, 2021."

Section 8

Replace, "Proposals will be opened on Friday, June 11, 2021 at the Upper Nappan Service Centre, 1395 Blair Lake Road, Upper Nappan, NS, immediately following closing at 2:00 pm local time. The opening of proposals at that time is to record receipt of them. Details of the submissions will not be publicly disclosed at that time" with, "Proposals will be opened on Friday, June 18, 2021 at the Upper Nappan Service Centre, 1395 Blair Lake Road, Upper Nappan, NS, immediately following closing at 2:00 pm local time. The opening of proposals at that time is to record receipt of them. Details of the submissions will not be publicly disclosed at that time.
