

RFP-MCC-2108

FIRE SERVICES REVIEW

Addendum #1

The following is an update to RFP-MCC-2108:

1. Section 2 – Scope of Work

Under “3. Proposal Scope and Deliverables” please add the following item to the list:

- Communications and Emergency Dispatch

2. Section 2 – Scope of Work

Replace:

5. Project Schedule

The Proponent should provide a project schedule as part of their proposal. This would include the consultant’s stakeholder engagement, information gathering, report preparation, submission, and receipt and review time periods. The final report shall be completed by February 15, 2022.

With the following:

5. Project Schedule

The Proponent should provide a project schedule as part of their proposal. This would include the consultant’s stakeholder engagement, information gathering, report preparation, submission, and receipt and review time periods. The final report shall be completed by March 15, 2022.
